Berney Arms Line engineering works

No direct trains will run between Buckenham, Cantley, Reedham and Great Yarmouth. Customers from Buckenham, Cantley and Reedham wishing to travel to Great Yarmouth will need to travel to Brundall or Norwich and change trains for Great Yarmouth. This applies in both directions. Journey times will be extended so please check the amended timetable. All Norwich to Great Yarmouth trains that previously operated via Buckenham, Cantley and Reedham are now routed via Acle, and the same applies in the opposite direction.

There will be no train service for Berney Arms.

Why?

Network Rail is carrying out a £68 million project to upgrade the signalling system on this line. The work will improve safety and journeys for passengers on the Wherry Lines. The bulk of this work is planned to take place at Reedham junction where a new track layout will improve reliability and operational efficiency. This is being carried out in preparation for the final switch over from a Victorian era signalling system to a modern signalling system from 2020.
